ENTERPRISE OF THE NIGHT

Flashing neon, oil-tinged petrichor, fading perfume, smeared lipstick, and the faintest touch of gunpowder residue.

Decanted by synecdochic 7/14

ICE

The scent of razors, cold metal, icicles, and her diamond-tipped claws: eucalyptus blossom, crystalline musk, white ginger, mint, and elemi.

THE GATEKEEPER

Brittle bones, the well-worn leather spines of forgotten books, crumbling papyrus, and yellowed, crumbling manuscripts.
